30595140XXX/30427XXX

Set of baskets # 30594140100

Product description

- Mechanism to maximise available space in corner cabinets with hinged doors. Available in left or right opening and several sizes.
- Brand new sliding technology ensures that all components slide silently and effortlessly even when the baskets are loaded.
- Opens manually.
- Front baskets pull out and swivel to have access to the full storage space.
- Rear baskets slide out for a complete access to all stored items
- Ergonomic handle (can be adjusted in height)
- Laterally mounted deflection clips prevent the door from being damaged

Benefits and features

Available for left or right opening

Slow motion slides for the rear baskets allowing smooth closing.

No door adjustment required

Rear baskets slide independently so you have a better access : get right to the back of the unit

Basket sold in sets of 4

Available for several interior width (frame can be adjusted)

Arena baskets with anti-slip coating: stored items won't move around and will perfectly stay in place

Arena baskets available with a grey or a maple bottom depending on the sizes.

Front baskets for the 450mm version

Elegant chrome surround

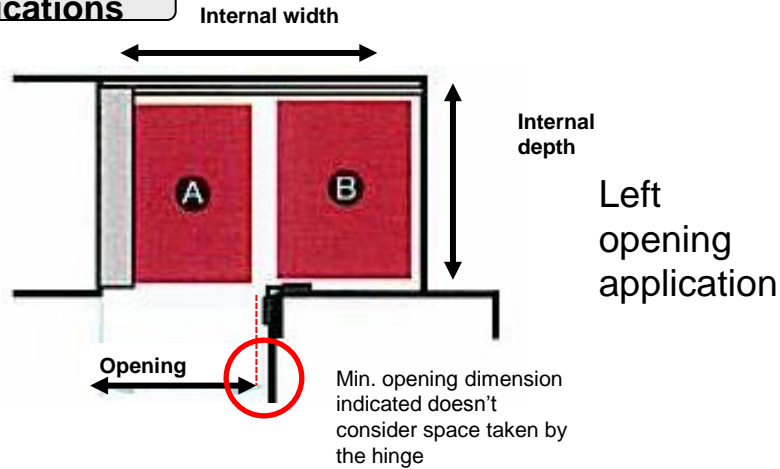

Softstopp included in the frame for the front baskets

Front baskets weight capacity: 10kg (22lb) per basket
